US EXPORT (LCL) INLAND RATES

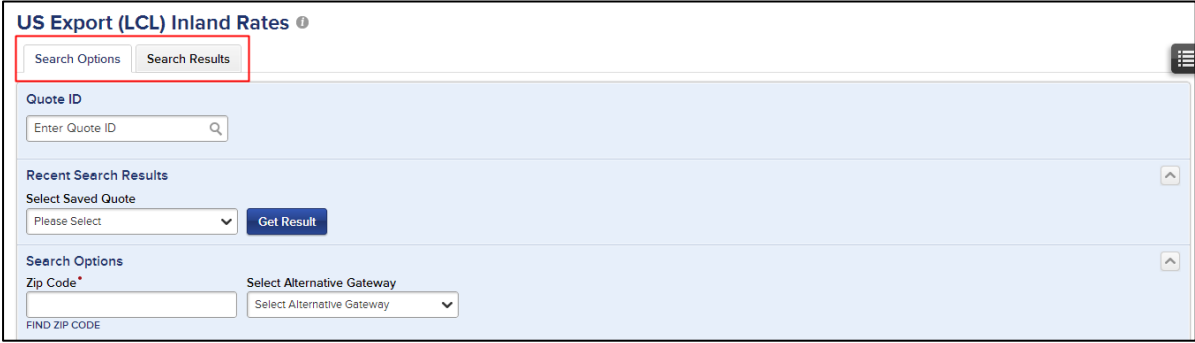

The Shipco Website enables you to find out export rates for FCL and LCL shipments. To find out the export rates for an LCL shipment, you first need to log in.

To begin the procedure for finding out LCL export rates, you need to select **US Export (LCL) Inland Rates** from the menu.

The **US Export (LCL) Inland Rates** form has two tabs: **Search Options** and **Search Results**.

Terms and Conditions

Booking must be done through Shipco. The rate is valid for shipments up to 10,000 lbs (max 4,999 lbs per piece) with a maximum length up to 12 feet(365 centimeters), maximum height up to 7 feet (213 centimeters) or maximum width up to 7 feet (213 centimeters).
*Please consult Shipco for shipments exceeding above limitations.

Some hazardous classes are not accepted by Shipco or at the rate quoted. Please inquire at time of booking.

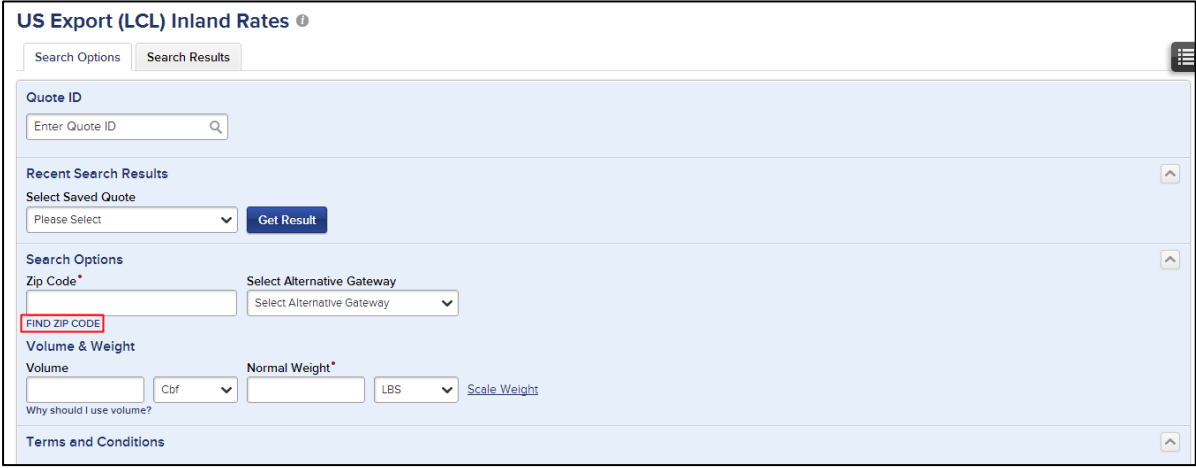

The rate does not apply for inside pickup, exhibition goods, lift gate, double team or any other special requirement. Waiting time exceeding 20 minutes will be invoiced separately.
* Should your shipment not be consistent with the weight provided to us at the time of pick up or delivery, the shipment may be subject to re-weigh and inspection charges.
* Transit times are approximate and not guaranteed.
***For shipments of 5 or more pallets and/or over 5000 lbs an LTL rate may not apply, please contact Shipco for a spot quote**
***If cargo is not stackable, additional charges may apply.**
*The rate is only valid for pickups in the continental United States.

Instructions

To begin the procedure to find out export rates for an LCL shipment, in the **Search Options** section, you need to enter the zip code of the location from where the shipment will be loaded.

To find the zip code, you click the **FIND ZIP CODE** link below the **Zip Code** field.

The screenshot shows the "US Export (LCL) Inland Rates" search interface. It features a top navigation bar with "Search Options" and "Search Results" tabs. Below this is a "Quote ID" section with a search input field. The "Recent Search Results" section includes a "Select Saved Quote" dropdown and a "Get Result" button. The "Search Options" section contains a "Zip Code" field with a "FIND ZIP CODE" link below it, and a "Select Alternative Gateway" dropdown. The "Volume & Weight" section includes a "Volume" input field, a "Unit" dropdown (set to "Cbf"), a "Normal Weight" input field, a "Weight Unit" dropdown (set to "LBS"), and a "Scale Weight" link. A "Terms and Conditions" link is at the bottom.

This displays the **Find Zip Code** popup. This popup contains the **State** list and the **City** field.

A screenshot of the Shipco Transport website's "US Export (LCL) Inland Rates" page. A "FIND ZIP CODE" popup is displayed in the center. The popup has a title bar with "FIND ZIP CODE" and a close button (X). Inside the popup, there are two input fields: "State" with a dropdown menu showing "Select State", and "City" with a text input field. A "FIND ZIP CODE" button is located at the bottom right of the popup. The background page shows the Shipco Transport logo, a navigation bar with links like "Ocean Freight", "Air Freight", "E-Commerce", "Compliance", "App Store", and "About Us". The main content area is titled "US Export (LCL) Inland Rates" and includes sections for "Quote ID", "Recent Search Results", "Search Options", "Volume & Weight", "Terms and Conditions", and "Instructions".

From the **State** list, you select the relevant state.

FIND ZIP CODE

The **Select Your Zip Code** list is displayed. From this list, you need to select the relevant zip code and then click the **Go** button.

The screenshot shows the 'US Export (LCL) Inland Rates' search page. A modal window titled 'FIND ZIP CODE' is open, displaying a 'State' dropdown set to 'New York' and a 'City' dropdown set to 'New York'. Below these, there is a 'Select Your Zip Code' dropdown menu with 'New York, NY, 10149' selected. A red box highlights this dropdown and the 'Go' button at the bottom right of the modal. The background search form includes fields for 'Quote ID', 'Recent Search Results', 'Search Options' (with 'Zip Code' and 'Find Zip Code' fields), 'Volume & Weight' (with 'Volume' and 'Normal Weight' fields), and 'Terms and Conditions'.

The selected zip code is displayed in the **Zip Code** field on the **Search Options** tab. Next, you need to specify an alternate gateway for the shipment by selecting a location from the **Select Alternative Gateway** list.

The screenshot shows the 'US Export (LCL) Inland Rates' search page. The 'Zip Code' field in the 'Search Options' section now contains '10149'. The 'Select Alternative Gateway' dropdown menu is open, displaying a list of cities: Atlanta, Baltimore, Boston, Charleston, Charlotte, Chicago, Cleveland, Dallas, Detroit Hub, Houston, Hvidovre, Los Angeles, Memphis, Miami, New Orleans, Newark (New York), Norfolk, Philadelphia, and Portland. A red box highlights the 'Zip Code' field and the 'Select Alternative Gateway' dropdown. The background search form includes fields for 'Quote ID', 'Recent Search Results', 'Search Options' (with 'Zip Code' and 'Find Zip Code' fields), 'Volume & Weight' (with 'Volume' and 'Normal Weight' fields), and 'Terms and Conditions'.

Then, in the **Volume & Weight** section, you need to specify the volume and weight of the shipment.

Finally, you need to click the **Submit** button.
